EXCITING MANAGEMENT ANNOUNCEMENT

BDS Investments has a new logo! After 25 years of dedicated service, BDS Investments management has designed a new, fresh logo, which will be appearing in all future communications. This is a very exciting step for our management team. We are dedicated to continuously improving our services, and we hope that this logo will help us achieve this goal. Let us know what you think!

The Event of the Year: Festival Montreal en Lumiere (High Lights Festival)

From February 17-27 experience the wildest, most diverse activities of the year. Last year's High Lights Festival (the 11th edition) witnessed record attendance and twice the number of shows, all thanks to dedicated Montreal fans who know that this is not an event to be missed! The goal of the festival is to "illuminate the city" during this cold winter month.

This year, the program boasts an extensive lists of culinary, musical, artistic, indoor and outdoor shows and activities, resulting in over 175 mostly free activities. Added bonus? The metro will run all night long! And especially don't miss out on the "Nuit Blanche," which ends the Festival on Saturday, February 26, starting at 8 pm.
